Your scaled score is between 300 and 400. Test takers who score around 300 *typically* have the following strengths:

- They can sometimes infer the central idea, purpose, and basic context of *short* spoken exchanges, especially when the vocabulary is not difficult.
- They can understand the central idea, purpose, and basic context of *extended* spoken texts when this information is supported by repetition or paraphrase.
- They can understand details in *short* spoken exchanges when easy or medium-level vocabulary is used.
- They can understand details in *extended* spoken texts when the information is supported by repetition and when the requested information comes at the beginning or end of the spoken text. They can understand details when the information is slightly paraphrased.

To see weaknesses typical of test takers who score around 300, see the Proficiency Description Table. www.toEIC.co.kr/table

If your performance is closer to 400, you should also review the descriptors for test takers who score around 400.

READING

Your scaled score is close to 250. Test takers who score around 250 *typically* have the following strengths:

- They can make simple inferences based on a limited amount of text.
- They can locate the correct answer to a factual question when the language of the text matches the information that is required. They can sometimes answer a factual question when the answer is a simple paraphrase of the information in the text.
- They can sometimes connect information within one or two sentences.
- They can understand easy vocabulary, and they can sometimes understand medium-level vocabulary.
- They can understand common, rule-based grammatical structures. They can make correct grammatical choices, even when other features of language, such as difficult vocabulary or the need to connect information, are present.

HOW TO READ YOUR SCORE REPORT:

Percentile Rank: Percentage of the global TOEIC Secure Program test-takers in 2019 through 2021 scoring below your scaled section score.

Percent Correct of Abilities Measured: Percentage of items you answered correctly on this test form for each one of the Abilities Measured. Your performance on questions testing these abilities cannot be compared to the performance of test-takers who take other forms or to your own performance on other test forms. The average for each ability is the averaged percentage of items answered correctly by the test-takers of the TOEIC Secure program on this form.

Note: TOEIC scores more than two years old cannot be reported or validated.
